## Superintendent's Report

---

*To the School and Citizens of Brentwoods*

I herewith submit my sixth annual report. Your consideration is respectfully asked. Notice the Tables which follows:

### *Personnel*

You will note from glancing at the list of teachers that only one change took place for the beginning of this year. Mrs. Owen was transferred from the South Road School to Crawley Falls to take the place of Mrs. Magnusson, resigned, and Miss Ruby Gustafson was engaged for the South Road School. This change gave you a trained and experienced staff of teachers in every school, as Miss Gustafson comes to you with three years of experience and good recommendations.

### *Pupils*

The progress of your pupils is well illustrated by the following results taken from the May 1934 tests.

<i>Reached or bettered</i>		
	<i>the grade</i>	<i>Below grade</i>
Grade 1	9	1
Grade 2	7	3
Grade 3	13	4
Grade 4	12	1
Grade 5	6	5
Grade 6	8	5
Grade 7	7	1
Grade 8	3	2

The results are not pleasing to any great extent. Some grades like the first, fourth, and seventh stand

out present no problem. But the other grades contain too many below the level of proper achievement and constitute the teachers' major problem to correct during this present year.

### *Costs*

Below you will note a comparison of elementary school costs for each of the districts in the Union. A comparison of last year's net costs with those of the year before indicate just how much of a reduction has been accomplished. In your case the decrease has been slight due to a rather stable enrollment over the two year period; but nevertheless indicates a desire on the part of the Board to keep the costs down in accordance with the trend of the times. The value of State Aid to you is well illustrated in the following statistics.

### *Per Pupil Costs 1933-1934*

<i>District</i>	<i>Average no. Elem. Pupils</i>	<i>Cost Per Pupil</i>	<i>State Aid Per Pupil</i>	<i>Net to District</i>	<i>1932-33</i>
Brentwood	89.22	\$ 62.74	\$ 24.17	\$ 38.57	\$ 38.83
Danville	71.81	59.56	22.31	37.25	39.16
E. Kingston	37.06	106.82	24.27	82.55	84.73
Epping	305.45	47.33	16.56	30.77	34.12
Fremont	97.90	47.40	13.06	34.34	51.14
Kingston	137.72	65.16	20.16	45.00	48.76
Sandown	48.09	68.08	31.27	36.81	44.86
S. Hampton	32.63	96.11	31.87	64.24	82.56
(State Median)		72.465			

## IMPROVEMENTS

A number of improvements to buildings have been made since the last report, and others are in project. Every room has had its ceiling whitened. Two rooms have had new stoves to replace others cracked and in dangerous condition. The warrant covers a project to paint some or all of the buildings. Some other projects which should receive your attention are:—

North Road School

Walls needs painting badly.

Crawley Falls

The fence needs replacement or repairs.

South Road School

Walls need paint.

Marshall's Corner

Walls need paint.

Except at the South Road School, some endeavor ought to be made to replace the blackboards with slade or some substitute which would be more acceptable than the present painted boards.

## APPRECIATION

The past year has been very trying and difficult. The many problems of relief have been felt in the schools. But those most intimately concerned have been very patient and helpful. I express my gratitude to those who have given of their time, Money, and ability to promote various enterprises in order that some unfortunate child might have his teeth cared for or proper clothing and food provided. To the School Board and Teachers, I am most appreciative. Their cooperation has been of the right sort and has contributed much

toward the advancement of the children's interests and progress.

Respectfully submitted. . . . .

HAROLD C. BOWLEY,

*Superintendent of Schools.*
